MY KING AND MY GOD

As I look into the heavens
How foolish I would be
To deny the King of all this
And the grace He's given me
All the beauty and the splendor
The eternal power of God
Lovingly changing me
Beyond what I could ever dream of

I will worship here before
My King and my God
Seek my own way never more
My King and my God
Live to serve You everyday
My King and my God
Understanding that You do supremely reign

Everlasting God

Strength will rise as we wait upon the Lord
Wait upon the Lord, we will wait upon the Lord
Strength will rise as we wait upon the Lord
Wait upon the Lord, we will wait upon the Lord

Our God, You reign forever
Our hope, our strong deliverer

You are the everlasting God, the everlasting God
You do not faint, You won't grow weary
You're the defender of the weak, You comfort those in need
You lift us up on wings like eagles.

You are the everlasting God, the everlasting God,
The everlasting God

A Thousand Amens Doxology

Praise God from whom all blessings flow.
Praise Him all creatures here below.
Praise Him above, Ye heavenly host.
Praise Father, Son, and Holy Ghost.

Unfailing love comes with the morning.
It's Your faithfulness we sing at night.
It's Your kindness, Lord, that leads to our healing.
All glory to our Maker, and a thousand amens.

We Believe

In this time of desperation, when all we know is doubt and fear
There is only one foundation, we believe, we believe
In this broken generation, when all is dark You help us see
There is only one salvation, we believe, we believe

We believe in God the Father, we believe in Jesus Christ
We believe in the Holy Spirit, and He's given us new life
We believe in the crucifixion, we believe that He conquered death
We believe in the resurrection, and He's comin' back again
We believe

So let our faith be more than anthems, greater than the songs we sing
And in our weakness and temptations, we believe we believe

We believe in God the Father, we believe in Jesus Christ
We believe in the Holy Spirit, and He's given us new life
We believe in the crucifixion, we believe that He conquered death
We believe in the resurrection, and He's comin' back again

Let the lost be found, and the dead be raised,
In here and now let love invade
Let the church live loud, our God we'll say, we believe we believe
And the gates of hell will not prevail,
for the pow'r of God has torn the veil
Now we know Your love will never fail, we believe, we believe

We believe in God the Father, we believe in Jesus Christ
We believe in the Holy Spirit, and He's given us new life
We believe in the crucifixion, we believe that He conquered death
We believe in the resurrection, and He's comin' back again
He's comin' back again, He's comin' back again
We believe, we believe

Revelation Song

Worthy is the Lamb who was slain
Holy, Holy is He
Sing a new song to Him who sits on
Heaven's mercy seat

Holy, Holy, Holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You

Clothed in rainbows of living color
Flashes of lightening, rolls of thunder
Blessing and honor strength and glory and power be
To You the only wise King

Holy, Holy, Holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You

Filled with wonder awestruck wonder
At the mention of Your name
Jesus Your name is power, breath and living water
Such a marvelous mystery, yeah

Holy, Holy, Holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You

OUR GOD

Water You turned into wine,
Opened the eyes of the blind,
There's no one like You, none like You...

Into the darkness You shine.
Out of the ashes, we rise.
There's no one like You, none like You...

Our God is greater. Our God is stronger.
God You are higher than any other.
Our God is Healer, awesome in power,
Our God, our God...

And if our God is with us, then who could separate us?
And if our God is for us, then what could stand against?
And if our God is with us, then who could separate us?
And if our God is for us, then what could stand against?
Then what could stand against?

Days of Elijah

These are the days of Elijah,
Declaring the word of the Lord
And these are the days of Your servant Moses,
righteousness being restored
And these are the days of great trials,
Of famine and darkness and sword
Still we are the voice in the desert crying,
“Prepare ye the way of the Lord!”

Behold He comes riding on the clouds,
Shining like the sun at the trumpet call
Lift your voice in the year of jubilee
And out of Zion’s hill salvation comes

These are the days of Ezekiel,
The dry bones becoming as flesh
And these are the days of our servant David,
Rebuilding a temple of praise
And these are the days of the harvest,
The fields are as white in the world
And we are the labourers in Your vineyard
Declaring eh Word of the Lord

There is no God like Jehovah, there is no God like Jehovah
There is no God like Jehovah, there is no God like Jehovah

Hallelujah! Thine The Glory

We praise Thee, O God, for the Son of Thy Love,
For Jesus who died and is now gone above.
Hallelujah! Thine the glory. Hallelujah! Amen
Hallelujah! Thine the glory. Revive us again.

All glory and praise to the Lamb that was slain,
Who has borne all our sins, and has cleansed every stain.
Hallelujah! Thine the glory. Hallelujah! Amen
Hallelujah! Thine the glory. Revive us again.

Revive us again, fill each heart with Thy love.
May each soul be rekindled with fire from above.
Hallelujah! Thine the glory. Hallelujah! Amen
Hallelujah! Thine the glory. Revive us again.

Hear Us From Heaven

Lord, hear our cry. Come heal our land
Breath life into these dry and thirsty souls
Lord, hear our prayer. Forgive our sin
And as we call on Your name
Would You make this a place for Your glory to dwell?

Open the blind eyes unlock the deaf ears
Come to Your people as we draw near
Hear us from heaven touch our generation
We are Your people crying out in desperation

Hear Us From Heaven

JESUS LOVES ME

Jesus loves me this I know, for the Bible tells me so
Little ones to him belong, they are weak, but He is strong

Yes, Jesus loves me. Yes, Jesus loves me
Yes, Jesus loves me. This I know, and I say
Yes, Jesus loves me. Yes, Jesus loves me
Yes, Jesus loves me, for the Bible tells me so.

Jesus loves me. He will stay close beside me all the way
He's prepared a home for me and someday His face I'll see

He has risen this we see. Lord and master, King of Kings
He has risen to forgive. Tell the world that Jesus lives

Every now and then when you feel like you are on your own
Sing this song and remember you are never all alone, never all alone
'Cause Jesus loves you

Death Was Arrested

Alone in my sorrow and dead in my sin
Lost without hope with no place to begin
Your love made a way to let mercy come in
When death was arrested and my life began

Ash was redeemed, only beauty remains
My orphan heart was given a name
My mourning grew quiet, my feet rose to dance
When death was arrested and my life began

Oh your grace, so free, washes over me
You have made me new, now life begins with You

Released from my chains I'm a prisoner no more
My shame was a ransom He faithfully bore
He cancelled my debt and He called me his friend
When death was arrested and my life began

Oh your grace, so free, washes over me
You have made me new, now life begins with You

Our Savior displayed on a criminal's cross
Darkness rejoiced as though heaven had lost
But then Jesus arose with our freedom in hand
That's when death was arrested and my life began
That's when death was arrested and my life began

Oh we're free, free, forever we're free
Come join the song of all the redeemed
Yes we're free, free, forever amen
When death was arrested and my life began

Love Come Down

I will sing forever of Your love come down
With my hands to heaven, shout Your praises loud
I was lost in darkness when You pulled me out
I will sing forever of Your love come down

I once was blind, I could not see
Chains of sin had shackled me
But God in heaven heard my plea
Then Jesus Jesus rescued me
Oh, Jesus Jesus rescued me

I will sing forever of Your love come down
With my hands to heaven, shout Your praises loud
I was lost in darkness when You pulled me out
I will sing forever of Your love come down

Now grace, so sweet it, floods my soul
And hope eternal won't let go
My debt erased at Calvary
'Cause Jesus, Jesus rescued me
Oh, Jesus, Jesus rescued me

I will sing forever of Your love come down
With my hands to heaven, shout Your praises loud
I was lost in darkness when You pulled me out
I will sing forever of Your love come down

Well there's a home beyond the sky
A song we'll sing for all of time
The grave is empty I am free
'Cause Jesus, Jesus rescued me
Oh, Jesus, Jesus rescued me

This Is Amazing Grace

Who breaks the power of sin and darkness
Who's love is mighty and so much stronger
The King of Glory, the King above all Kings
Who shakes the whole earth with holy thunder
And leaves us breathless in awe and wonder
The King of Glory, the King above all kings

This is amazing grace, this is unfailing love
That you would take my place, that You would bear my cross
You laid down Your life, that I would be set free
Whoa, Jesus I sing for all that You've done for me

Who brings our chaos back into order
Who makes the orphan a son and daughter
The King of Glory, the King above all Kings
Who rules the nations with truth and justice
Shines like the sun in all of it's brilliance
The King of Glory, the King above all Kings

This is amazing grace, this is unfailing love
That you would take my place, that You would bear my cross
You laid down Your life, that I would be set free
Whoa, Jesus I sing for all that You've done for me

Worthy is the Lamb who was slain
Worthy is the King who conquered the grave

This is amazing grace, this is unfailing love
That you would take my place, that You would bear my cross
You laid down Your life, that I would be set free
Whoa, Jesus I sing for all that You've done for me

Victory In Jesus

I heard an old, old story, how a Savior came from glory
How He gave His life on Calvary, to save a wretch like me
I heard about His groaning of His precious blood's atoning
Then I repented of my sins and won the victory

O victory in Jesus my Savior forever
He sought me and bought me with His redeeming blood
He loved me ere I knew Him and all my love is due Him
He plunged me to victory beneath the cleansing flood

I heard about His healing of His cleansing pow'r revealing
How He made the lame to walk again and caused the blind to see
And then I cried dear Jesus come and heal my broken spirit
And somehow Jesus came and brought to me the victory

I heard about a mansion He has built for me in glory
And I heard about the streets of gold beyond the crystal sea
About the angels singing the old redemption story
And some sweet day I'll sing up there the song of victory

No Longer Slaves

You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
Till all my fears are gone

I'm no longer a slave to fear, I am a child of God
I'm no longer a slave to fear, I am a child of God

From my mother's womb, You have chosen me
Love has called my name
I've been born again into Your family
Your blood flows through my veins

You split the sea, so I could walk right through it
My fears are drowned in perfect love
You rescued me and I will stand and sing
I am a child of God

Oceans (Where Feet May Fail)

You call me out upon the waters
The great unknown where feet may fail
And there I find You in the mystery
In oceans deep my faith will stand

And I will call upon Your name
And keep my eyes above the waves
When oceans rise my soul will rest in Your embrace
For I am Yours and You are mine, Oh...
Oh.....

Your grace abounds in deepest waters
Your sov'reign hand will be my guide
Where feet may fail and fear surrounds me
You've never failed and You won't start now

Spirit lead me where my trust is without borders
Let me walk upon the waters wherever You would call me
Take me deeper than my feet could ever wander
And my faith will be made stronger in the presence of my Savior

Spirit lead me where my trust is without borders
And my faith will be made stronger
In the presence of my Savior

It Is Well

Grander earth has quaked before
Moved by the sound of His voice
And seas that are shaken and stirred
Can be calmed and broken for my regard

And through it all, through it all, my eyes are on You
And through it all, through it all, it is well
And through it all, through it all, my eyes are on You
And it is well, it is well

So let go, my soul, and trust in Him,
The waves and wind still know His name
So let go, my soul, and trust in Him,
The waves and wind still know His name
The waves and wind still know His name

It is well with my soul
It is well with my soul
It is well with my soul
It is well, it is well with my soul

And far be it from me to not believe
Even when my eyes can't see
And this mountain that's in front of me
Will be thrown into the midst of the sea

And through it all, through it all, my eyes are on You
And through it all, through it all, it is well
And through it all, through it all, my eyes are on You
And it is well, it is well

So let go, my soul, and trust in Him,
The waves and wind still know His name
So let go, my soul, and trust in Him,
The waves and wind still know His name
The waves and wind still know His name

I GO TO THE ROCK

Where do I go when there's no one else to turn to?
Who do I talk to when no one wants to listen?
Who do I lean on when there's no foundation stable?
I go to the Rock, I know He's able, I go to the Rock.

I go to the Rock of my salvation
I go to the stone that the builders rejected
I run to the mountain and the mountain stands by me
When the earth all around me is sinking sand
On Christ, the Solid Rock, I stand
When I need a shelter, when I need a friend, I go to the Rock

Where do I hide till the storms have all passed over?
Who do I run to when the winds of sorrow threaten?
Is there a refuge in the time of tribulation?
When my soul needs consolation, I go to the Rock

I go to the Rock
I go to the Rock (4Xs)

CORNERSTONE

My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame
But wholly trust in Jesus' name

Christ alone, Cornerstone
Weak made strong in the Savior's love
Through the storm
He is Lord
Lord of all

When darkness seems to hide His face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil
My anchor holds within the veil

He is Lord
Lord of all

Christ alone, Cornerstone
Weak made strong in the Savior's love
Through the storm
He is Lord
Lord of all

When he shall come with trumpet sound
Oh may I then in Him be found
Dressed in His righteousness alone
Faultless, stand before the throne

Chain Breaker

If you've been walking the same old road for miles and miles
If you've been hearing the same old voice tell the same old lies
If you're trying to fill the same old holes inside
There's a better life, there's a better life

If you've got pain, He's a pain taker
If you feel lost, He's a way maker
If you need freedom or saving, He's a prison shaking Savior
If you got chains, He's a chain breaker

We've all searched for the light of day in the dead of night
We've all found ourselves worn out from the same old fight
We've all run to things we know just ain't right
There's a better life, there's a better life

If you believe it, if you receive it
If you can feel it, somebody testify (3Xs)

Soon and Very Soon

Soon, and very soon, we are going to see the King.
Soon, and very soon, we are going to see the King.
Soon, and very soon, we are going to see the King.
Hallelujah! Hallelujah! We're going to see the King.

No more crying there...

No more dying there...

When We All Get to Heaven

When we all get to heaven, what a day of rejoicing that will be
When we all see Jesus, we'll sing and shout the victory

Sing the wondrous love of Jesus, Sing His mercy and His grace
In the mansions bright and blessed, he'll prepare for us a place

Onward to the prize before us. Soon His beauty we'll behold
Soon those pearly gates will open. We will walk the streets of gold.

We'll sing and shout the victory. We'll sing and shout the victory.
No more darkness, no shadows. No more pain, no sorrows
We'll sing and shout the victory
